

# MEXSHIELD 101

MEXSHIELD provides face-to-face assistance to travelers in need of medical or legal aid via its mobile application.

In the event of an accident, legal issues, or medical emergency, your MEXSHIELD Safety assistance specialist will meet you on-site anywhere in Mexico, within minutes, and continue to accompany you throughout the duration of your issue, making sure the proper professional procedures are followed.

MEXSHIELD holds the highest standards in personal attention, providing individual members, associates, travel agents, and Destination Managements Companies with the duty of care your clients need when traveling to México.

# MEXSHIELD EXPERIENCE

VS

# INSURANCE EXPERIENCE

Face-to-face assistance with a MEXSHIELD Safety assistant specialist.

---

MEXSHIELD App lets your Safety assistant specialist know where you are (even if you don't).

---

Track your Safety assistant specialist via the MEXSHIELD app. Communicate via Live Chat until your Safety assistant specialist arrives.

---

VIP service for groups, DMC, conventions, travel agents, and event organizers.

---

Guides you in legal situations, and will continue to consult with you and your attorney if you are sent to jail.

---

Safety assistant specialists help with third-party claim reimbursement.

---

In person, on-site service. We will literally BE THERE for you.

---

Press one button to reach your personal MEXSHIELD Safety assistant specialist.

Call a generic number. Talk to a different assistant each time, and updating the new assistant each time regarding your case.

---

No reliable way to locate you in an emergency. They depend on YOU to tell them where you are.

---

Rely on a time estimate given by a phone operator and wait it out.

---

No boutique services.

---

Will not assist in any situation involving Mexican authorities.

---

You're on your own with the paperwork and follow-up.

---

No in-person service, only call centers.

# INCIDENTS WE COVER

Our network of over 700 bilingual (English and Spanish) skilled, highly-trained Safety assistance specialists are available all day, everyday (24/7 ) anywhere in México to assist you with:

- Automobile accidents
- Driving while under the influence
- Illness (of any kind)
- Trouble with the police or other authorities
- How to pay fines
- Theft
- Negotiation for any issue with Police and Mexican authorities

# ALL OF MEXICO

MEXSHIELD operates a network of highly-skilled bilingual (English and Spanish) Safety assistance specialists in all cities, states and regions of the country.

GEO-Cell phone location services can tell us where our clients are, even when the client can't.

# WHO IS IT FOR?

- Anyone traveling to México from anywhere in the world.
- Vacationers or business travelers.
- Solo travelers or those traveling in groups.

# HOW IT WORKS?

**1**
